DIGITAL WALL TILES

300x450mm | 300x300mm

A P PLANT - FOR SOUTH

VERSATILE SIZE

Our 300x450mm and 300x300mm tile collections are not just about aesthetics; they are built to last. Engineered with advanced materials, these tiles boast exceptional durability and strength, ensuring they can withstand the test of time in any environment. Resistant to scratches, stains, and moisture, they are ideal for high-traffic areas and everyday use. With their robust construction, you can enjoy peace of mind knowing that your flooring will maintain its beauty and functionality for years to come. Elevate your space with tiles that combine style with unmatched resilience.

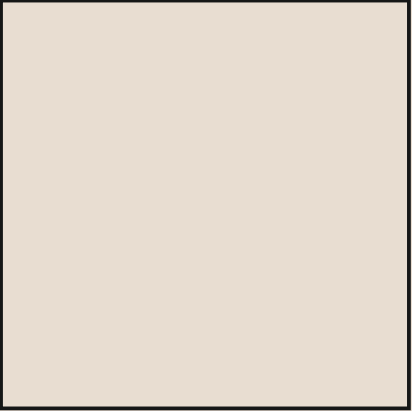

Introducing our exclusive 300x450mm and 300x300mm tile collections, crafted to elevate interiors with versatile designs and exceptional durability. Available in a range of finishes and textures, these tiles are perfect for creating unique spaces that reflect your style. With easy maintenance, high resistance to wear, and timeless appeal, our tiles are designed to meet the demands of modern living while adding a touch of elegance to every corner. Whether you're designing a cozy nook or a bold statement wall, this collection offers endless possibilities to transform your space.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

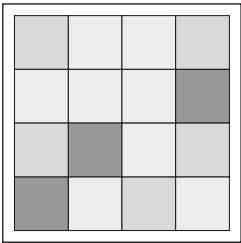

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.

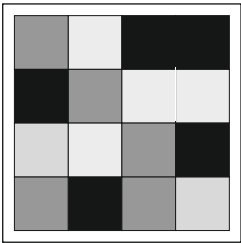

V1 Minimal Variation

V2 Slight Variation

V3 Moderate Variation

V4 Substantial Variation

The classification is as follow:

V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

High Definition Image

While Laying the tiles please follow the arrow Mark on the back of the tiles

For removing the wax from the surface of the tiles please use the soft cotton cloth

for rubbing with any boric/talc powder
