SOMANY

Redefining Spaces The Marvela Way

The Marvela FLORTUFF collection is a reflection of dreams built, lives lived, and memories made—quietly powerful, perpetually graceful. Crafted in a refined 600×1200mm size, it reflects a design philosophy attuned to the rhythm of modern interiors. From the brilliance of High Gloss, which amplifies colour and design, to the mirror-like sheen of Full Polished that reflects light and elevates visual appeal, from the textured depth of Matt Carving to the gentle softness of velvety Matt—each finish is thoughtfully curated to suit the most discerning tastes. At its core lies advanced engineering—high in performance, unwavering in quality. It is a quiet expression of permanence, presence, and personality—where every step feels intentional, and every detail whispers elegance. When spaces are designed with Marvela, they become silent witnesses to life's applause—every step, every glance, every moment.

TECHNICAL FEATURES

SUPERIOR GLOSS SURFACE

Our tiles feature a stunning, high-gloss finish that elevates any space. The reflective surface amplifies light, creating a brighter and more luxurious ambience.

EASY TO CLEAN

Our Strong Surface Tiles are easy to clean and maintain, thanks to their non-porouss surface that resists dirt and stains

ABRASION RESISTANT FOR MODERATE TO HIGH TRAFFIC AREAS

Our tiles are designed to withstand the test of time, even in high-traffic areas. Their superior abrasion resistance ensures durability and maintains their pristine appearance for years.

REFLECTIVE GLOSS INDEX

Our tiles feature a subtle, low-reflection finish, reducing glare and creating a more comfortable visual experience. This makes them ideal for various settings, including spaces with significant natural light.

Engineered for performance, Surface by Somany offers exceptional durability, scratch resistance, and a low-reflection matt finish—ensuring hassle-free maintenance and making it ideal for various application areas.

1. The top layer of the surface is scratch-resistant, features zero reflection, and boasts a hardness rating of 8 on the Mohs scale.
2. The surface glaze lends it unparalleled aesthetics, making it a versatile choice for a variety of applications.
3. The tile body is crafted for high durability, using the finest raw materials and meticulous manufacturing processes.

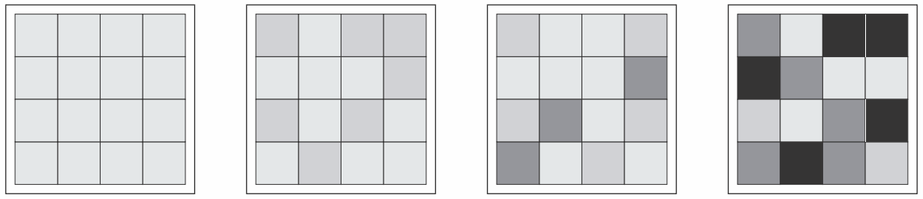
DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.



V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

The classification is as follows:

V1 Minimal Variation V2 Slight Variation V3 Moderate Variation V4 Substantial Variation

MARVELA FLORTUFF

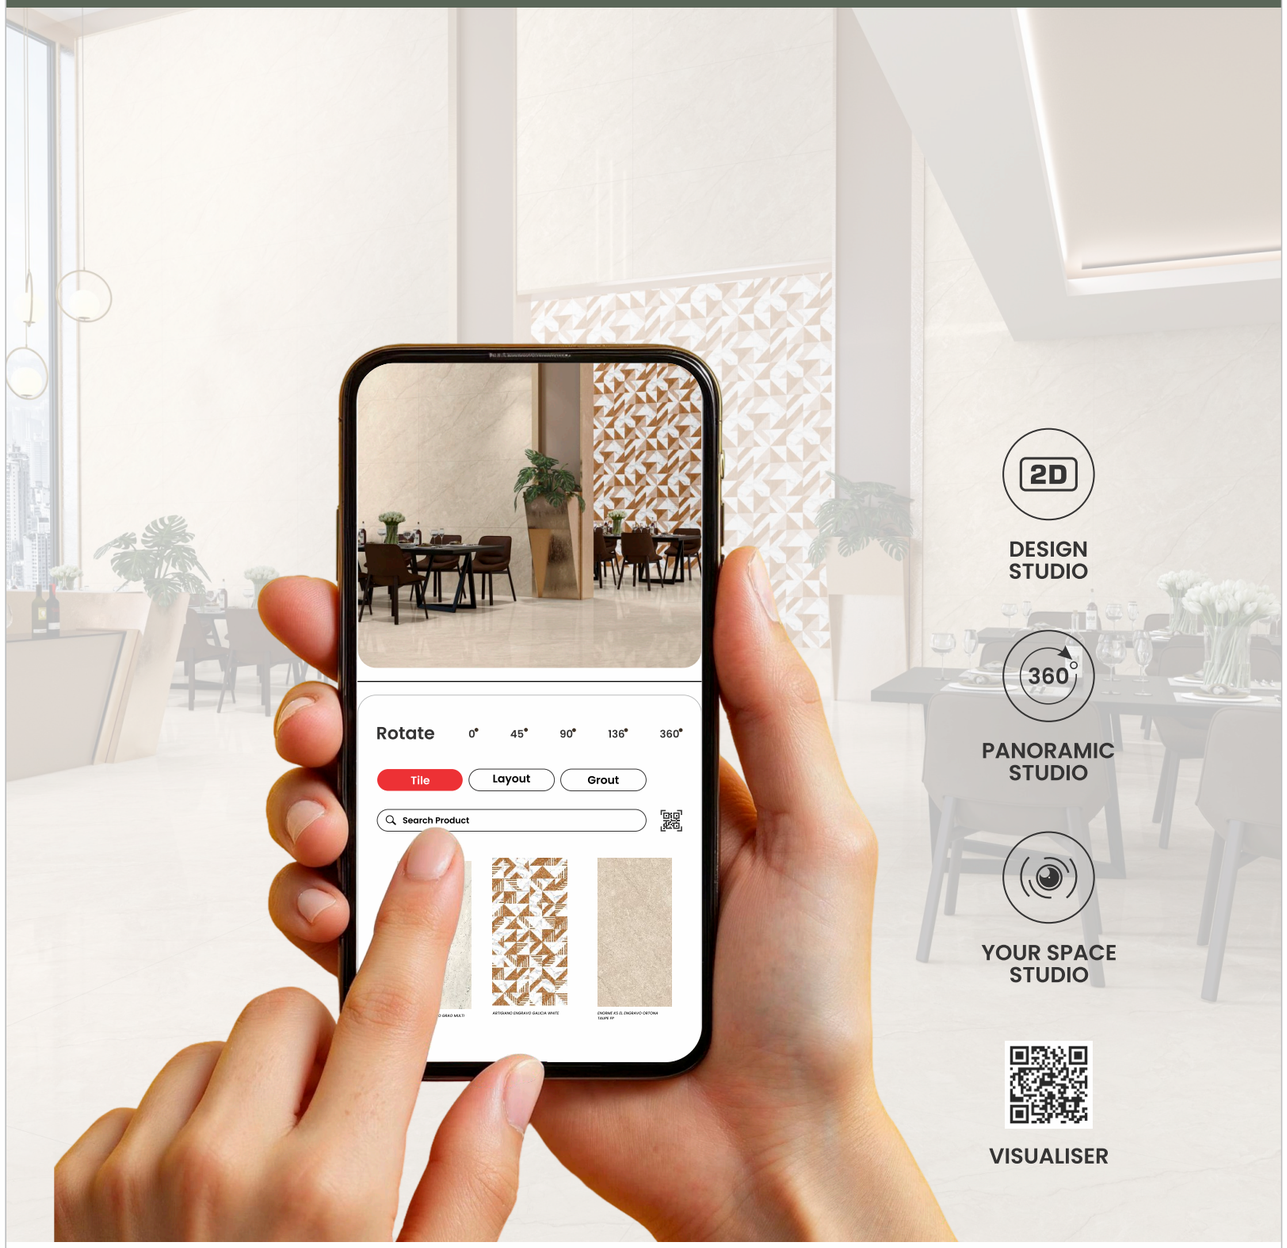
The tiles in this catalogue are reproduced using four-colour printing, and the tiles may not be displayed in accurate sizes. Therefore, we strongly recommend customers to check the physical samples before placing an order. The "Technical Specification" applies exclusively to premium-quality Somany wall and floor tiles. Please inspect the tiles thoroughly before installation, as we don't accept any complaints once the tiles have been applied or fixed. Additionally, complaints regarding borders, highlighters, or motifs will not be entertained after purchase.

NOTE

TILE VISUALISER

SOMANY



Choosing the perfect tile for your dream home should be exciting, not overwhelming! With endless styles, colours, and finishes to explore, how do you ensure your choice truly brings your vision to life? That's where our Tile Visualiser transforms the experience. From the **intuitive 2D Studio Visualiser to the immersive Panoramic-Studio Visualiser,** and even the AI-powered Your-Space-Studio Visualiser, you get a seamless, real-world preview of your selections. Instantly see how different tiles look in your space and make confident design decisions—because what you see is exactly what you'll get.

Your dream tile? Just a click away.

SOMANY Ezy Fix

Tile Adhesive | Epoxy Grout | Cement Polymer Grout | PU Adhesive | Grout Admix | Tile Cleaner

Lasting Bonds Made Ezy

Behind Every Stunning Tile, there's a Stronger Bond!
Experience the power of reliable tiling with Somany EZY Fix. From ceramic and porcelain tiles to natural stone and marble, our adhesives work on all surfaces – walls, floors, indoors, outdoors, and facades. Available in cement-based and PU-based options, they offer strong adhesion across all sizes and materials. Complementing this, our cement and epoxy grouts ensure tight, durable joints that last. No matter the project, Somany EZY Fix delivers a bond that's built to last.
