SOMANY

Italmarmi
from the house of SOMANY

When you think world-class design, you think Italian.

The sharp cuts, the artistic lines, the aesthetic tones – no one does it better. Taking inspiration from Italian architecture and design, we at Somany envisioned a brand that would cater to the true connoisseurs of luxury and design. We wanted to create world-class tiles that would elevate any home. The vision took shape as Italmarmi – a range of premium, luxury tiles, designed with global trends and styles in mind. Artistic mosaics, spectacular designer tiles, patterns, or textures – Italmarmi aims to reshape the way we think about tiles. It is an expression of exclusivity and dynamism.
