SOMANY

Where Surfaces Become Stories

Ceramica collection redefines the foundation of interior design through artistic surfaces that offer unparalleled design freedom. Each tile is a meticulously crafted masterpiece, capturing nature's authentic beauty with richer colour palettes and tactile sophistication. From delicate marble veining and organic wood grain to engineered anti-skid textures, our refined matt surfaces bring visual depth and aesthetic excellence that flows seamlessly through boutique showrooms, contemporary kitchens, serene bathrooms, and living spaces. Available in 600x600mm, each design is engineered for enduring performance, offering versatile solutions that unite stunning decor with lasting resilience.

TECHNICAL FEATURES

SUPERIOR MATT SURFACE

Our Matt finish surfaces feature a subtle, refined (low-reflection) finish that softens light and minimises glare. This makes them ideal for a variety of settings.

EASY TO CLEAN

They are easy to clean and maintain, thanks to their non-porous surface that resists dirt and stains.

ABRASION RESISTANT FOR MODERATE TO HIGH TRAFFIC AREAS

Our tiles are designed to withstand the test of time, even in high-traffic areas. Their superior abrasion resistance of PEI (Matt - IV & VC - V) ensures durability and maintains their pristine appearance for years.

UNALTERABLE TO UV RAYS

SLIPSHIELD

600x600mm

Stylish Floors, Secure Footing

*SLIP*SHIELD

CERAMICA

The Slip Shield collection exemplifies Somany's commitment to safety-first innovation, where anti-skid engineering meets design excellence. Available in 600x600mm size, these tiles feature an engineered micro-textured surface that transforms ordinary flooring into a reliable safeguard.

Slip Shield's subtle ridges and grooves create enhanced friction between foot and surface, providing superior grip in both wet and dry conditions. This intelligent surface treatment maintains traction even in the presence of water, oil, or dust.

These tiles are ideal for wet areas like bathrooms and kitchens, outdoor spaces including balconies and pool surrounds, and transitional zones such as entrances and ramps.

Certified by the Ceramic Research Company, Malaysia, Slip Shield tiles deliver functional excellence and peace of mind.

Crafted to Inspire,
Engineered to Endure

CERAMICA

Introducing Somany's VeilCraft (VC) Shield collection, where cutting-edge technology redefines surface resilience. At its core lies our patented VC Shield Hard Coat technology that delivers exceptional protection against the rigours of everyday life. This protective glaze is applied as the topmost layer, locking in each tile's colour, design, and finish beneath, ensuring enduring beauty.

These tiles are available in 600x600mm size with marble designs in a Matt finish, revealing soft veining and natural textures. Engineered to withstand up to 25,000 revolutions with exceptional abrasion resistance, superior stain resistance, and effortless maintenance. Ideal for residential and commercial spaces including living rooms, hallways, entryways, and moisture-prone zones such as kitchens and bathrooms.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.

The classification is as follows:

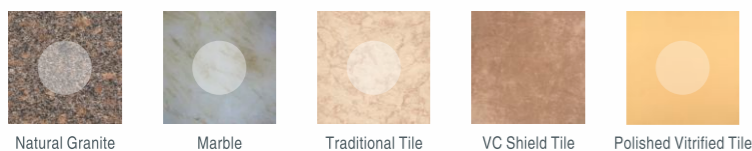

V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

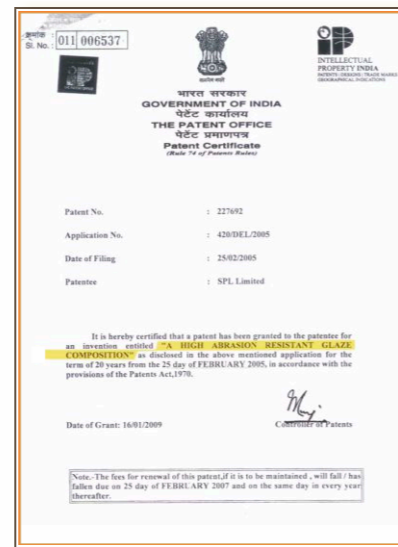

VEILCRAFT (VC) SHIELD

Not only look and style; the buzz word for the Gen X tile is timeless elegance. Here comes the revolutionary patented "VeilCraft (VC) Shield" technology, a 'high abrasion resistant glaze composition', known as VC (VeilCraft) Shield. This is the first ever patented technology in Indian Ceramic Industry. This not only gives you the perfect aesthetics for your space but also the lifelong protection to your floor.

Result of the Abrasion Test at 25,000 Revolutions as per PEI Methodology

Patent Certificate for "High Abrasion Resistant Glaze" applied on VC Shield Tiles

iii) Resistant to Acids and Alkalis (With Exception of Hydrofluoric Acid and its Compounds)	Required If Agreed	Manufacturer to State Classification	Min Class AA	

The tiles in this catalogue are reproduced using four-colour printing, and the tiles may not be displayed in accurate sizes. Therefore, we strongly recommend customers to check the physical samples before placing an order. The "Technical Specification" applies exclusively to premium-quality Somany wall and floor tiles. Please inspect the tiles thoroughly before installation, as we don't accept any complaints once the tiles have been applied or fixed. Additionally, complaints regarding borders, highlighters, or motifs will not be entertained after purchase.

NOTE

TILE VISUALISER

Choosing the perfect tile for your dream home should be exciting, not overwhelming! With endless styles, colours, and finishes to explore, how do you ensure your choice truly brings your vision to life? That's where our Tile Visualiser transforms the experience. From the **intuitive 2D Studio Visualiser to the immersive Panoramic-Studio Visualiser**, and even the AI-powered **Your-Space-Studio Visualiser**, you get a seamless, real-world preview of your selections. Instantly see how different tiles look in your space and make confident design decisions—because what you see is exactly what you'll get.

Your dream tile? Just a click away.
