WHO WE ARE

Ceramica

Somany Ceramics Limited (SCL), is the 12th largest manufacturer of tiles in the world, established more than 50 years ago by Late Shri Hiralal Somany. Brand SOMANY under the capable leadership of Mr. Shreekanth Somany, Chairman & Managing Director and Mr. Abhishek Somany, Managing Director & CEO, is a household name in India for Tiles and Bathware. Moreover, it exports its products to more than 80 countries across 6 continents. The company is a complete solution provider in decor solutions with widest product selection in all categories, namely - ceramic (wall and floor tiles), polished vitrified tiles, glazed vitrified tiles, sanitary ware, bath fittings and adhesives.

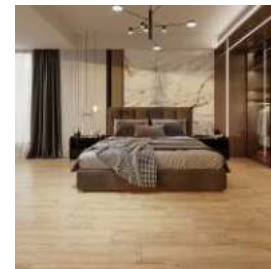

SOMANY's determined pursuit of delivering excellence has placed the brand in an illustrious position. This wouldn't have been possible without the vision of Late Shri H. L. Somany, who laid the foundation for the company's long-lasting success. He believed in staying ahead of his time - creating trends instead of simply following them, constantly innovating as opposed to catching up. His wisdom and culture is not only an intrinsic part of the company's DNA but also of the following generations of leaders.
