SPECTRUM OF COLORS

Our tiles are celebrated for its cutting-edge designs and superior craftsmanship. Spectrum of Tones is a collection representing a versatile array of tiles, thoughtfully designed to suit diverse interior styles and preferences. This collection emphasizes soft pastel tones, enriched with a striking "punch impact" effect as its signature design feature. Pigmented with premium imported colors, each tile showcases a seamless design continuity and exceptional durability. Experience a collection that marries aesthetic beauty with tactile elegance.

Join us in exploring the fusion of artistic creativity and functional design.

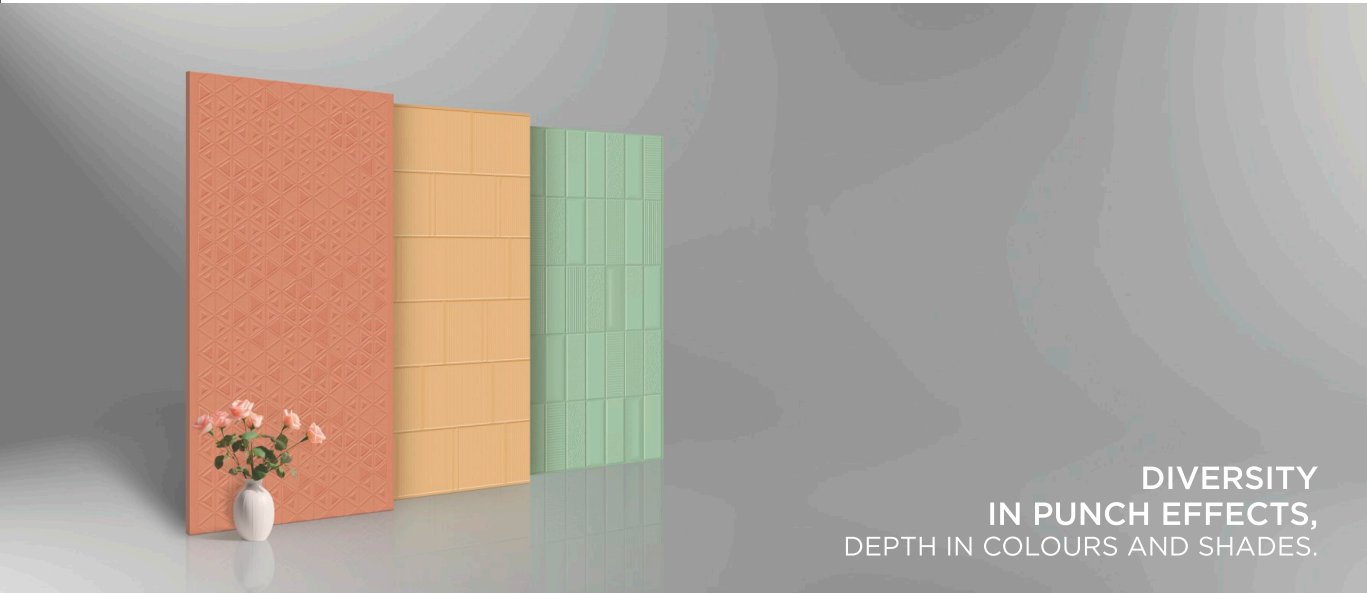

DIVERSE FINISHES WITH VERSATILE APPLICATIONS

Elevate your space with satin finishes that bring depth and character to any environment. These tiles are designed for both residential and commercial use, making them ideal for floors, walls, and backsplashes, offering a perfect blend of style and functionality.

SHADES FOR EVERY TASTE

Timeless hues like beige, grey, and white offer a clean and neutral, sophisticated aesthetic, perfect for creating an elegant atmosphere. The earthy nature-inspired shades of brown, green, and blue evoke tranquillity and warmth, bringing a sense of calm to any space. While the bold tones red, orange and yellow inject energy and personality, transforming a room with their lively appeal.

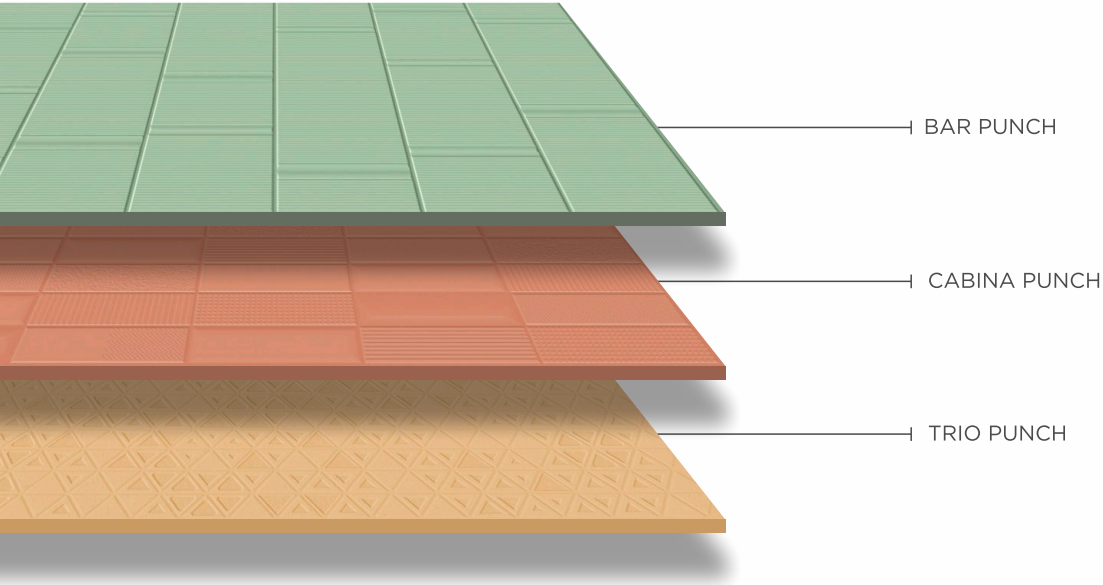

- **Neutrals:** Beige, grey and white are timeless choices that create a clean and elegant atmosphere.
- **Earthy Tones:** Browns, greens and blues inspired by nature offer a sense of tranquillity and warmth.
- **Vibrant Hues:** Red, black and ochre can add a pop of energy and personality to a space.
